REPORT OF THE HISTORICAL COMMITTEE

for the year ended December 31, 1964

The Historical Committee has met regularly during the past year. We have endeavored to secure the geneological records of everyone in town since 1874 not covered by the Ezra Stearns history which covers much of the time to 1914. These records are being transcribed and arranged for printing. We want to be sure to include everyone so please send in your family records at once if you have not already done so.

The Ecclesiastical history has been completed and the military records as far as we have them. Members of the committee are working on the history of industries, resorts, homes, schools and organizations, and hope to have them completed soon. If anyone has information in regard to any of these subjects, it will be gratefully received by the committee.

We have contacted several publishing companies regarding price of publication.

The year 1964 was marked by a greatly increased interest on the part of the townspeople.

A Friends of the Library group was organized. With efficient committees and assistance from all its members, a financially successful food sale was held in June, and later a hobby show. The latter was a very pleasing affair for all who attended. We are grateful to the many friends who so generously contributed their exhibits.

Thoughtful and worthwhile gifts have been received throughout the year. We now have a very fine shell collection which with a cabinet to hold its was presented by Mrs. Douglas Sloane.

Mr. and Mrs. Paul Inferrera gave a punch bowl and cups, and a very useful cabinet for the lavatory.

The Sherwin fund established by the family of the late Harry E. Sherwin makes it possible to buy fine reference books each year, as well as children's books for the Sherwin Room.

From time to time paintings and handicraft have been loaned and art work by the children has been shown. All of these make the library a more interesting place.

A fine map of New Hampshire has been purchased. This was a gift from the estate of the late Mr. and Mrs. Herbert Crowell.

In addition money, books and magazines have been received from Prof. Douglas Adams, Mrs. Athur Allen, Mr. Frank Allen, Rev. and Mrs. William Blair, Mrs. Edward Brummer, Mrs. John Crosby, Mrs. George Coppers, Mr. and Mrs. Allen Elsbree, Mrs. Raymond Ford, Mrs. Ray Haskell, Mr. and Mrs. Paul Inferrere, Mrs. H. W. Kenyon Jr., Mr. Arnold Lindquist, Mr. and Mrs. Aubrey Nicholson, Mrs. Ralph Pangborn, Mrs. Mary Prebble, Mrs. Harold Rice, Mr. John Sherwin, Mr. Philip Simoulis, Mr. and Mrs. Douglas Sloane, Mr. Stacey Sears, Mrs. Richard Stearns, Mrs. Walter Troup, Mr. and Mrs. Perry Thrasher, Mrs. Everard UpJohn, Mrs. Ralph Ward.

The very popular story hour for the children of the lower grades is again being conducted through the kindness of Mrs. Russell Bacon.

Mrs. James MacNeil and Mrs. Henry Snow have given their time and skill to the covering of many new books.

I wish to extend my thanks to them, to the trustees, to Mrs. Marshall Danforth, Mrs. George Semonite, Mrs. Arthur Chase, Miss Carol Stewart, and to Mr. Walter Lovell. My deepest appreciation goes to them for their cooperation in making our library a successful organization.

Respectfully submitted,

CARRIE S. GRAY
Librarian

REPORT OF THE TRUSTEES OF INGALLS MEMORIAL LIBRARY

The Trustees are glad to report that your library continues to be in a sound condition.

On the physical side not only were a number of maintenance jobs done, but the parking lot was made more useable by filling and grading the area. The hard-top could not be applied due to the drought conditions all summer long, but this work is expected to be completed this year. In addition, the sidewalks and a walk to the parking lot were completely rebuilt. For these improvements we greatly appreciate the cooperation of the Selectmen and Mr. John Crosby, Road Agent, and his workers.

In the fall a "Friends of the Library" group was organized with over thirty people signifying their interest. As Co-Chairmen, Mr. and Mrs. George Semonite were elected at the first meeting. Some of the activities begun or projected include: Mrs. George Semonite, who is a trained librarian, continually devotes much time to assisting Mrs. Gray; Mrs. Shirley Adamovich, who also is an experienced librarian, helped in organizing and recording; Miss Carol Stewart has assisted too in aiding Mrs. Gray; Mrs. Russell Bacon continues her wonderful story hours for the young and giving a weekly session to this much appreciated activity; Mr. and Mrs. Allen W. Elsbree will act as curators of our museum; Mrs. Barbara Rice has contributed a great deal by keeping the accounts; in preparing the room to be used by the Senior Girl Scouts, Mr. George Abbey devoted time and equipment to this task. A donation by Mr. Walter Lovell provided for the restoration and electrification of four old brass lamps which were a part of the original equipment (1894) of our building. At his request these have been placed in the Sherwin and Symonds rooms as a memorial to the late Mr. Herbert C. Crowell. Mr. Willard Gray, as always, gave of his time and work, helping in many ways in matters of buildings upkeep and improvements.

Other folks aided by assisting in the July food sale and the September Hobby and Art Exhibition. To all of these friends go our grateful thanks.

The Trustees are happy to have the Senior Girl Scout Patrol utilize a room in the basement which had been used during World War II as a first aid and supply room. After cleaning and decorating, the patrol will have a convenient and pleasant meeting place. Mrs. George Abbey, the adviser of this group, cooperates in everyway.

To Mrs. Gray, our librarian, go our deep appreciation for her excellent work in making the functioning of our library so successful. We thank Mrs. June Danforth, the assistant librarian, and Mrs. Arthur Chase for their aid in helping Mrs. Gray.

We believe that we have a library that rates very well by the standards set forth in the State Library report and is one in which all can take pride. In this connection a group of officials of the neighboring town of Richmond met with us in order to study our set-up with a view toward improving their facilities. At the request of the Trustees, Mr. James F. Allen acted as chairman of this meeting.

It might be noted that the Trustees are asking for a lower appropriation from the Town for the coming year. This is possible because of some accumulation of funds in the Trust account and a sizable bequest from the Estate of the late Mr. Regnold B. LaRue. This bequest will be turned over to the Trustees of the Trust Funds when the Town takes action on its official acceptance.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half centry. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2,280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreational - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.

2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.

3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

Mr. Donald Murphy replaced Mr. George Wattendorf as principal of grades 1-6 and teacher of grade 6. Due to the addition of two new rooms the following teachers were added to the staff: Mary Johnson, Grade 5, and Martha Simpson, Grade 3.

B. SCHOOL PROGRAM

School opened in September with the addition of three new staff members. They were: Mrs. Simpson, teaching grade three, Mrs. Johnson, teaching grade five, and Mr. Murphy, principal and teacher in grade six.

Prior to the opening of school, two series of Union-wide meetings were held for teachers. Rindge, with others in the Union, met for a period of six days concerning themselves with the fourth grade arithmetic program and orientation of new teachers. As a follow-up to this, a continued series of Union-wide staff meetings on the fourth grade arithmetic program are being held during the current school year.

The new school addition was ready for occupancy at the opening of school in September. This added space has allowed for single classes at all grade levels plus a room for activities, music, and audio-visual use. More than 100 people toured the new addition during the open house in the fall and comments were favorable.

During the Christmas season the entire school presented a program of plays, skits, and songs with the help of the music supervisor, Miss Carter.

Grades five and six have been working on a planned physical education programbbased on the President's fitness program whenever possible.

Our enrollment figures have continued to increase since the opening of school, the high for this current year having been 134 pupils.

We would like to conclude this report with a word of thanks to those many people who have contributed to the success of the school during the current year.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

The general health of Rindge pupils has been usually good. Colds and digestive upsets were the most prevalent sicknesses.

All the children in the odd-numbered grades were examined by our school physician, Dr. Franklin Sterling as well as special cases referred to him throughout the year. A vision and hearing test was given to all the children in all the grades by the nurse, and whenever necessary, a notice sent home to parents regarding the need for corrections. If help was requested, it was given through the generosity of various organizations. For example, an eye examination was paid for by the Jaffrey Lions Club. Parents have been most cooperative in the follow-up of special cases.

The dental clinic was continued and ten pupils were given dental care, who otherwise could not afford it. All these were transported to the dentist's office by the school nurse.

In May pre-school registrations and examinations were held. Visual, dental and hearing defects were found and corrected during the summer. On this day, parents and pupils have the opportunity to become acquainted with school personnel and school regulations.

To end the school year all Health Records were brought up to date and filed.
